

Dr Horng Lii Oh

MBBS GCSpMed MS(Ortho) FRACS FAOrth

SPECIALIST ORTHOPAEDIC SURGEON

Dr Horng Lii Oh is an Orthopaedic Surgeon with sub-speciality interests in hip and knee joint replacement, arthroscopic surgery, and orthopaedic trauma. Dr Oh operates at St Vincent's Hospital and St Vincent's Private Hospital.

Dr Oh is a Fellow of the Royal Australasian College of Surgeons and Fellow of the Australian Orthopaedic Association. He has a Master of Surgery (Orthopaedic) from the University of Sydney, Graduate Certificate in Sports Medicine from the University of Queensland and Bachelor of Medicine and Bachelor of Surgery from the University of Melbourne.

Dr Oh has completed two further sub-speciality fellowships in hip and knee primary and revision joint replacement and arthroscopy in Sydney, and was selected as the AO orthopaedic trauma fellow in Heidelberg, Germany.

Dr Oh is fully committed to life-long education, training and research. He teaches orthopaedic trainees and is an instructor in surgical skills for the Royal Australasian College of Surgeons. He continues to be involved in orthopaedic research and participates in international courses and conferences to stay on top of current knowledge and surgical techniques.

Dr Oh is focused on providing patient-centred care and is known for his professional and caring manner. Dr Oh is committed to providing the best possible care for each of his patients.

Dr Oh spent his childhood in Singapore and is also able to see Mandarin speaking patients.
